THE
TROPICO INTER-URBAN SENTINEL

Devoted to Tropico, the San Fernando Valley and Southern California

VOL. VI TROPICO, (Los Angeles Postoffice) CALIFORNIA, WEDNESDAY, OCTOBER 4, 1916 NO. 39

THE COUNTRY WEEKLY NEWSPAPER

Its Value to the Community and Its Advertising Patrons

The weekly country newspaper is the national policeman. In the night in a great city you see a policeman standing in the middle of the street "on fixed post." He must not move, the people must know where they can find him.

What a fixed post policeman is to a big city, the country newspaper is to the nation.

It is the national policeman on fixed post, ready to hear the people's complaint, ready to act and protest against dangerous legislation or dangerous public opinion.

The country newspaper is the national public forum; it is the concentrated expression of local thought. The country newspapers combined ARE the people and the power of the country.

Self-satisfied metropolitan editors and busy, ill-informed business men fail to appreciate the county editor's importance.

As the country editor's power is great in forming public opinion, protecting public interest, influencing congressional action, so it is great as a business agent and powerful as an advertising medium.

The country editor should be recognized and utilized as the nation's most efficient salesman.

The advertisement well told and well displayed in the country newspaper actually reaches the most powerful buying public in the world. And that public cannot be reached with equal efficiency by any other medium.

The subscriber to the country newspaper is the best customer to the intelligent advertiser. He buys everything from books to harvesting machinery, from encyclopedias to gas engines, from paint for the roof to cement for the cellar floor, from fancy front yard fencing to drain tile for the fields.

Pick out a typical American family that reads the typical American newspaper and there you have a buying power that interests every intelligent business man and advertiser in the United States.

It is the duty of those interested in the public welfare to proclaim the value of the country newspaper as an advertising medium regardless of personal interest.

It is important to the nation that the country editor should be absolutely independent of corporations, of all influence except that of the readers whom he serves.

To increase the prosperity, the income, of the country editor is to increase the efficiency of the greatest educational and protective institution in the United States.

The business man helps to build up his country and at the same time uses the best medium for building up business, when he gives a large share of his advertising appropriation to the country newspaper.

There are nearly twenty thousand country newspapers published in the United States, each a center of information, of intellectual activity, each a school house for the grown man and woman, each an important member of the national police force. It is no exaggeration to say that democratic government of the United States would be impossible should this enlightening force, the country newspaper, be eliminated.

For they are the local checks, the local guardians and watchmen. Every man in congress knows the power of his country newspapers at home and knows that those newspapers are watching him. And if we have something approaching democratic government in the United States we may thank the country editor for it.—Evening Herald (Los Angeles.)

every day, limit three months, stopovers anywhere.
Tickets include trip around the lake.
Fares proportionately as low from all points in Southern California.
Tickets honored on Pacific Electric cars for connection with Southern Pacific trains.

SOUTHERN PACIFIC

HOME AGAIN

Mr. and Mrs. Charles Wallace Kimberly reached Tropico Thursday afternoon a few days in advance of their schedule. They were in excellent health and spirits and enthusiastic over the wonders and beauties of their transcontinental trip, made in a Chalmers 30 car, which sturdily met all exactions of bad roads, steep grades and the wear and tear of continuous travel. They broke an axel once and had some broken springs which were repaired and the car is apparently just as fit as when they started for Iowa by way of Mojave and the Mount Whitney country, one of the most beautiful portions of their trip. On the return journey they took in the petrified forests and the Grand Canyon of the Colorado which they approached through 18 miles of beautiful virgin forest crowded with an undergrowth of deciduous shrubs, gorgeous in autumn coloring. Mrs. Kimberly is reserving the detailed account of their experiences as her contribution to the travel course of the Thursday Afternoon club. Speaking of the highways, however, she said: "We found some very good roads, plenty of medium roads and a great plenty of very poor roads. The poorest roads were experienced on the return trip through Arizona and some portions of the California desert. We also encountered some very poor roads in Utah, Wyoming and western Nebraska, though nothing that in any way spoiled the trip. But everywhere they were making improvements and in a few years the transcontinental roads will be very much better. We met more cars from California and Colorado on the way than from any other states."

MR. PACKER'S NARROW ESCAPE

Mr. Stephen C. Packer, candidate for the supervisorship of this district, Mr. Charles B. Shattuck, and Miss Squires, reporter for the Times, had a narrow escape from death by auto collision last week, Wednesday. Mr. Packer was at the wheel driving from Glendale to Los Angeles and had reached the junction of Oxford and San Fernando road. Coming north on the boulevard last named was an inspector for the Pacific Light and Power Company in one of their service Fords. Before reaching the corner he crossed diagonally in front of Mr. Pecker who had the presence of mind to turn his auto to the curb in an effort to avoid or lessen the consequences of a collision. The two machines came together, however, but with less shock than they would have sustained but for Mr. Packer's action. Mr. Packer's car was considerabley damaged but he escaped injury and thought both his passengers had been equally fortunate. The next day, however, Miss Squires discovered her back had suffered and found her right hand so swollen as to be out of commission and seriously to interfere with her professional work. The offending automobilist at once acknowledged his error and responsibility for the damage. All were thankful to escape without more serious consequences.

BOY SCOUTS

Scout Master M. W. Ludden reports that Troop No. 1 which has headquarters in the school house on San Fernando Road, met Friday evening to reorganize for the coming year's work.

The troop will be open to boys of 12 to 15 years of age. Registration for this year has already reached fifteen. Among these are a few of the older high school fellows who have been in the troop for some time.

Mr. Ludden states that Troop No. 1 has the distinction of being the oldest regular troop in Southern California, having been organized in the fall of 1911, consequently it will soon have a few Veteran Scouts.

Dr. L. E. Richardson will take the place on the Troop Committee of O. P. Martin, who has moved to Oklahoma. He with Messrs. Van Etten and Weston will have supervision of the troop through the Scout Master, Mr. Ludden.

EASTERN STAR BANQUET

A banquet which will long live in the memory of the guests who had the privilege of enjoying it and which will crown with honor the entertainment committee responsible for its preparation took place Thursday evening at Masonic Hall in Glendale. It was the annual function of the Eastern Star for members and friends, the guests of special honor being Worthy Grand Matron Elizabeth, and Worthy Grand Patron Wheeler of Los Angeles, together with eight Grand Officers of Lodge Alrik Hammer of Dallejo.

The menu was elaborate and beautifully served, and much credit is due the committee of arrangements which consisted of: Miss Cora Hickman, chairman; Mrs. Daniel Campbell, Mrs. W. H .Balliso, Mrs. Davis Fuller and Mrs. D. H. Imler. Those on the Reception Committee were: Mr. and Mrs. Warren Roberts, Mrs. A. W. Tower, Mrs. Ogden Ryan, Miss Fredonia Borthick, Dr. A. L. Bryant, Mr. C. O. Pulliam, Mr. E. U. Emery, and Mr. George Moyse.

As souvenirs of their visit the Grand Worthy Matron was presented with a bronze and silver vase, the Worthy Grand Patron receiving a set of bronze book holders, decorated with the Masonic emblem.

GLENDALE TUESDAY CLUB

The Glendale Tuesday Afternoon club is to open its season October 10th with a high noon breakfast at Masonic Temple. The new members will be guests of honor and the program will include an original poem of welcome by Mrs. J. H. Daugherty. There will also be talks by members, the president, Mrs. H. E. Bartlett, will deliver an address, and Miss Ruth Markell will give a group of songs. Mrs. Ella W. Richardson will submit her report as delegate of the club at the Biennial.

The executive committee of the Thursday Afternoon club has purchased a nice piano for the club which will be installed in time for the opening meeting and reception Thursday of the present week.

Sam Parker has returned from Ray, Colorado.

Mesdames J. Herbert Smith and Wesley Bullis, who represented the Thursday club at the San Gabriel Reciprocity Meeting report a delightful afternoon as guests of the club over which Mrs. Fish presides. The program included addresses by the District President, Mrs. Harmon, and Mrs. Cable, chairman of committee on Legislation. Vocal and instrumental numbers were contributed by Mesdames Mabie and Wood, and some barefoot dances which were most charming in the sylvan setting of the beautiful grounds of the Masonic Home where the affair was given. These dances were illustrative of Indian legends and were contributed by a San Gabriel girl; at least that was the information given Mrs. Smith. About two hundred attended the function.

The Pythian Sisters met Tuesday for an all day session at the home of Mrs. Peck, 325 West Tenth street. They are getting ready for their annual bazaar and dinner which will take place around Thanskgiving, sometime. They are making a specialty of aprons.

The Thursday Afternoon club had a board meeting Monday.

The Lucky Thirteen club had a meeting last week at the home of Miss Beach in Glendale. A committee was appointed to prepare a program for the coming year and from now on the club expects to hold regular meetings.

A party of twenty-six Tropico ladies enjoyed a day's outing at Griffith Park last week Tuesday, and to say they had good eats does not half express it. It was a reguar banquet and in addition they got away with a goodly number of hot wienies. Among the out of town guests were Mrs. Chase from Oregon, who is visiting her sister, Mrs. Jack Hammond, and Mrs. Louise Mueller of New York City, who is the guest of her sister, Mrs. Baum of Glendale avenue.

Rev. Henry Goodsell of 128 Palmer avenue is looking forward to the arrival of his daughter Julia the last of the week. For the past three years she has been in the east residing with relatives at Platteville, Wis.

PLUCKY WOMEN AUTOISTS

Mr. and Mrs. E. Richman of Verdugo Canyon are entertaining two lady guests who came by auto from Davenport, Iowa, a journey of 6600 miles in which they met with incidents and adventures calculated to test the nerves of the most ambitious of motorists, and through which they came with colors flying and undaunted enthusiasm for auto travelling.

Miss Nellie O. Tenney and Miss Ida Miller are the plucky ladies referred to.

In 660 miles they consumed 276 gallons of gasoline and seven gallons of lubricating oil, and purchased only three tires, which they expect to take them home, after touring California. They had traveled 4700 miles before meeting their first and only puncture, caused by a wretched little nail.

In actual money they expended for repairs $33.81. Miss Tenney is a thorough auto mechanic, and was equal to their repairing.

BIRTHDAY SURPRISE

Mr. James H. Proctor of 145 Tropico avenue had a birthday last Friday and was surprised in the evening by his Sunday school class of seven boys, ranging in age from 7 to 13 years. Mrs. Proctor was in the secret and helped with the preparations which included plenty of ice cream, cake and candy of the sorts that boys like best. Mr. Proctor was completely surprised and demonstrated that he was as much of a boy as any of his guests and a jolly evening for all concerned was the result.

The birthday celebration was continued Sunday with a family dinner in his honor given by Mr. Proctor's parents at Hotel Tropico, at which his two brothers from Los Angeles were guests.

BIRTHDAY DINNER

Mrs. O. P. Snyder of Brand boulevard entertained with a dinner Sunday evening in celebration of the birthday of her brother, W. W. Dutton. The table was centered with a chrocheted basket filled with pink and white carnations. At each place was a smaller crocheted pink and white basket filled with salted nuts, and an individual pink and white crocheted napkin ring. Covers were laid for seven.

FRANK E. PETERS VOUCHES FOR THIS ONE

A certain citizen of Tropico called at the office the other day to get out some insurance on his piano and asked about the rates. When told that the rate was eighty cents per hundred for three years, he remarked that he thought that was cheap enough but he did not know how much the piano weighed.

N. C. BURCH IMPROVING

Mr. N. C. Burch has gained considerably in health the past week. He has been made happy by the return to California of Mrs. Oscar C. Burch, who has taken a bungalow for a year in Pasadena near the home of her daughter, Mrs. Gordon Pickett. Mr. Pickett was named for two rebel generals. He and his wife came to California about a year ago and are magnets who are gradually drawing all the members of their family to this coast. Mrs. Oscar Burch was accompanied by her daughter, Mrs. Nelson C. Burch Jr. She was also accompaniedby her grandson, Oscar Nelson Burch, who has enrolled at Pasadena High school and will remain for the school year. Mrs. Oscar Burch will make frequent trips to Tropico and as soon as Mr. Burch is well enough, he will visit her in Pasadena.

BIRTHDAY SUPPER

Mrs. A. Baum of 526 North Glendale avenue, gave a pleasant littl birthday supper Sunday evening in honor of her two grand-nieces, the Misses Barnetta and Louise Benoist, of New York City, who are visiting here with their grandmother, Mrs. Louise Mueller at the home of Mrs. A. Baum and mother. Covers were laid for ten and the color scheme was pink and white. Both say they will long remember their twelfth and thirteenth birthdays spent in sunny California.

TWIN CITY LODGE NO. 331 K. OF P.

Met in their hall in regular session last Thursday night, September 28th with a goodly attendance.

Many points of interest were brought up, covering contest, a proposed Grand Ball, also entertainment at an early date.

The Trustees reported that the new Castle Hall will be up to the second floor within a week, and that we will very probably enter our new home about December 1st, at the northwest corner of Park avenue and Brand boulevard, Tropico.—Publicity Committee.

Last Saturday morning at one o'clock, in the dark of the moon, Mr. and Mrs. Fred Spear and Mr. and Mrs. Glen Craig left Tropico by auto, bound for San Diego. It was still very dark when the reached the big Torrey Grade but their little Ford climbed to the top without assistance though four large machines which they passed had to be helped up the hill. When they achieved the top they were heartily cheered and one owner of a Buick offered to trade for the Ford. The party reached San Diego about daylight. They had a pleasant day of sightseeing and got back to Tropico Sunday evening.

CHURCH CAMPAIGN

The Rev. Don S. Ford, pastor of the Tropico Methodist Episcopal church will preach next Sunday, October 8, at 11:00 a. m. on "Financing the Kingdom of God." At the end of the service the men of the church will be called forward and commissioned as visitors to the homes of all the people of the church. They are to go out two by two Sunday afternoon to make these calls. The purpose of these visits is to talk over the work of the church, leave a carton of duplex envelopes with each member of the church and get the subscription of each member to the budget of the church for the coming year.

SUNDAY SCHOOL PARTY

The second party, which this time will include all Sunday school scholars above the primary grades, will be given at the Presbyterian church, Friday evening, Octobeh 6th. A fine program is promised and plenty of eats.

On account of inclement weather, the Presbyterian Sunday school Rally Services which were to have taken place last Sunday were postponed for one week, i. e., to October 8th, beginning at 10:30 a. m.

A union meeting of all the churches of Tropico will be held next Sunday evening in the Methodist church and will be addressed by Rev. Montgomery of the Federation Dry. All friends of temperence should attend.

Mr. M. M. Eshelman is collecting money for the improvement of the church of the Brethren on Glendale avenue. The work will include tinting the inside and painting the outside, together with putting in a curb on the street front. It will be begun next week and be completed by the middle of the month, in time for the annual Love Feast, October 14th.

The Sunday School Rally Day Program which was to have occured at the Tropico Methodist Episcopal church last Sunday has been postponed until next Sunday, October 8. The Sunday school begins at 9:30 a. m. A fine program has been prepared. All friends of the school and all children who do not attend elsewhere are invited to be present. Come and see what our school is doing.—Pastor.

PACKER OPENS HEADQUARTERS IN LOS ANGELES

Stephen C. Packer, candidate for Supervisor in the Fifth District has opened headquarters in rooms 211-212 Douglas Building, Third and Spring streets, Los Angeles, where Mr. Packer's friends and all those interested in his campaign are cordially invited to call.

A WORTHY CANDIDATE

Appearing in this issue is the announcement of the Hon. Charles W. Bell, Independent Republican candidate for Congress in the Ninth District. As a former member of Congress from this District, Mr. Bell's work for National Prohibition and his firm stand for Protection, together with his able service in looking after district matters, gave him a wide and favorable acquaintance with the voters.

"I was not a candidate at the recent primary, but thereafter a district conference of Republicans and Progressives, representing all sections of the district was held, and I finally consented, at the request of that conference, as well as scores of leading citizens, to enter the campaign. So generous has been the response of the voters that I now feel confident of being sent to represent the district in Congress again. My name will be printed on the official ballot with the designation, 'Independent.'

"My work in Congress, where I voted and spoke for National Prohibition, makes my stand on that issue clear to all. I am for a Dry California and a Dry Nation.

" This district needs a Republican congressman, who will fight for the Republican policy of Protection and the restoration of an adequate tariff on citrus fruits and other products of this district. I am such a Republican.

"My opponent is bound by the Democratic caucus and votes with the Democrats, and in the matter of tariff cannot serve the best interests of the district.

"I am for adequate preparedness for national defense, and will so vote. I am not for militarism. I believe in economic as well as defense preparedness.

"The citrus growers and voters of the district generally are giving me assurances of their united and enthusiastic support."

Grass Valley has levied a $20 per quarter tax on jitneys to save its car line.

STUNT PARTY

The High School girls stunt party last Friday evening at Masonic Hall, Glendale, was an immense success and netted a goodly sum for the seniors' treasury. So large was the attendance that dancing was accomplished with difficulty. Nevertheless, all who went had a good time, and the originality of the makeups made it a highly entertaining spectacle. Two pairs of girls tied for the prize offered for the most original costumes. The first pair were Jean Anderson and Cecelia Lyon, dressed as half boy and half girl. Their competitors were Catherine Philips and Margery Imler garbed as Knights of the Bath. Merle Frentz, representing a Phillipine maid, tied with Margaret Boucher as Sis Hopkins. Eloise Seaman and Lila Shea made quite a hit as English dudes. Jeanette Seaman made a very fancy Boy Scout.

That the teachers are well abreast of their clever pupils was proved when the faculty won the dollar stunt prize dressed as children in a farce school.

The red and green sweaters for the Sophmores will arrive Friday. They are what are termed "rough necks," the body of red with green waistband and green collar and cuffs.

UNION HIGH NOTES

Inter-Class Tennis Contests

Inter-class tennis contests begin this week at Union High and end the early part of next week. Try-outs occupied last week. There will be twenty-four contestants anyway, and possibly thirty, as it will be advisable to have some substitutes available. It will be a most interesting series, as every team will meet every other team.

UNION HIGH MILITARY TRAINING

Mr. Wight, instructor in military tactics and maneuvers in Union High, reports that forty boys are now enrolled for the course. They meet twice a week on the High school campus for 45 minute periods, thereby qualifying as U. C. High School Cadets, are taking quite an interest in the drill and doing good work.

Mr. Wight secured his military training at the University of California and spent the summer at the Monterey Camp, so he is well posted on the latest army regulations. They change so often that only an army officer or an attendant on a summer camp can keep himself up-to-date. Mr. Wight is hoping that before the year is out one hundred students will be enrolled for the drill, in which case the national government will provide a teacher from the army staff.

Burt Richardson, well known in Tropico, and son of Mrs. Ella Richardson, has entered Yale for a two-year course. He has been attending the University of Maine and spent a portion of the summer in the Military Training Camp at Plattsburg from whence a letter addressed to Mr. John A. Logan and published in the Sentinel of July 26th, was dated.

Basketball practice has begun at Union High.

Miss Lanterman, who has been spending the summer with her sister, Mrs. Rider, has returned to the Bible Institute in Los Angeles.

LOCAL HAPPENINGS

Mrs. C. C. Chandler, the presiding genius of a big family of sons, daughters, grandchildren and great grandchildren, tells a pretty story of a Sunday night "sing" at their house in which she and Mr. Chandler, her oldest son and daughter participated, Mrs. Ellias furnishing the organ accompaniment. A neighbor who heard the music thought it was the Methodist choir.

Mrs. Early will occupy her home on Blanche avenue, which the Sleureys have vacated.

Mrs. William Drasmfield, who has been very ill of grippe, is improving in health though she is still confined to her bed.

Mrs. Nellie Pennyman of Blanche avenue, who was ill for three weeks with grippe, is now able to be out.

Harry Reichard, who was injured by a fall from a truck he was unloading and who has been recuperating at Thoryncroft Hospital, is now at home.

The portrait of Mrs. A. L. Bancroft of Tropico and write-up of her work for the Chamber of Commerce, was published in the Sunday Times.

Will Richardson, son of Mrs. Ella Richardson, and well known in Tropico, has entered upon an agricultural course at the State School at Davis, in the Sacramento Valley.

Mr. and Mrs. Hueston of 410 West Ninth street are the parents of a fine new boy born Friday. They had booked an order for a girl but will not try to make any exchange.

Ardis Heissler of Glendale entertained a few friends informally last week Wednesday, the list including J. T. Beach, Eloise Seaman and Percy McIntyre.

Mr. and Mrs. D. O. Martin are planning a trip to Oklahoma.

Mrs. Harber, housekeeper at Hotel Tropico, has been advised of the serious illness of her daughter in New Mexico and expects to leave for that State in the near future unless she receives more reassuring news. Her son in Los Angeles is also ill.

Mrs. Robert Danner is much better. She went out Sunday for the first time in three weeks.

Mr. Edwin L. Sabin, the well known author, and his wife, were guests last week of Mrs. C. M. Turck. They have closed their home at La Jolla and gone to Denver for the winter.

Miss Virginia Jewell Buxton returned to her home in Chicago last Thursday, chaperoned by Mrs. Benjamin Johnson of Los Angeles after a happy summer spent in Tropico with her grandparents, Mr. and Mrs. C. M. Turck of North Glendale avenue.

Mrs. Pennyman of Blanche avenue reports that revival services will be held during the month of October in the church of the Nazarene which she attends in Los Angeles.

Mr. James McDonald and wife, who are young married people, have rented a house at 211 Blanche avenue and will make their home in Tropico. The Blanche avenue people are much pleased to have them for neighbors.

The Round Table Girls met last Tuesday evening at the home of Miss Moffatt. All members were present but one. The program was musical and informal.

Louis Barnes, the boy whose arm was broken in a collision between the bicycle on which he was riding and an auto truck a few weks ago, has recovered from his minor injuries and except that his arm is still in a sling, is as well as ever.

A party of young people motored to Santa Monica Canyon a week ago Sunday where a picnic lunch was enjoyed, the afternoon being spent at Venice. The party included: Carrie Stone, Owen Dibbern, J. T. Beach, Ardis Heissler, Percy McIntyre and Eloise Armstrong.

Dispatches from Visalia say the Huntington Interests have bought Mount Whitney Power Company plant.

TROPICO INTER-URBAN SENTINEL

(Established 1910)

Published every Wednesday at Tropico, California, and devoted to the best interests and future welfare of the most healthful city in the San Fernando Valley. Come and see for yourself.

Gertrude Gibbs .. Editor and Owner
Edith A. Cross .... Associate Editor
Telephone: Glendale 1500.

"Entered as second-class matter May 23, 1916, at the postoffice at Los Angeles, Cal., under the Act of March 3, 1879."

OFFICIAL PAPER OF THE CITY

Subscription, $1.00 per year.

Advertising rates furnished on application. The Value of the Tropico Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

FOR CITY BEAUTIFUL

N. C. Burch has suggested a way in which the city fathers can improve the vacant lots and make them beauty spots instead of weed covered eyesores in the landscape. Said he: "They should pass an ordinance providing for the renting of such property to people who will plant, cultivate and keep it in an attractive condition, the care of the property to offset the charge for rent."

The excuse for these neglected areas has been that the cost of collecting clean-up assessments left an amount insufficient to pay the wages of a man to do the work. Under Mr. Burch's plan non- resident or indifferent resident property owners could be required to lease their grounds to persons who would keep the weeds down.

It is discouraging to the public spirited citizen who keeps his own property in attractive condition to have an unsightly wilderness of weeds just over his line or across the street.

Mr. and Mrs. Sleurey and family have moved from Blanche avenue to 406 Moore avenue.

JITNEY LICENSES

There was mild excitement in Glendale among jitneys and their patrons who do business in Tropico when news of the passage by Tropico's city council of a jitney license ordinance was disseminated. A piano tuner sent for in a hurry was discharged at the Tropico line by a taxicab driver who lacked a Tropico license and did not wish to risk a fine. As the present Glendale license for taxicabs is $10, the operators of these vehicles, much as they want the Tropico patronage, hesitate to make additional investments in licenses as there is no very great margin of profit in their business.

The matter was brought to the attention of Councilman Jackson who at once said that an adjustment could and should be made by so reducing the Glendale license fee that the present rate would cover licenses for both cities. He secured a copy of the Tropico ordinance and will bring it up at the next meeting of the Glendale Trustees.

The total tax rate of Folsom is $3.36 on $1.00, the highest for years.

The population of California is estimated at 3,000,000.

GIRLS WANTED — Vernon Basket Co., 52nd and Santa Fe avenue. Take Santa Fe avenue car at 7th and Main.

Return to Congress

NINTH DISTRICT

Hon. Charles W. Bell

A DRY REPUBLICAN

Independent Candidate

The only member of congress from this 9th District who has voted for National Prohibition. Stands for protection of American products and industries. Stands for preparedness, both military and economic. Stands for National equal suffrage. Vote for a republican who will be able to secure recognition from a republican congress and accomplish results for the district. Mr. Bell did not compete in the primary election. His candidacy is made by request of a republican district conference. His name will be printed on the ballot:

CHARLES W. BELL, Independent X

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & CO., Toledo, O.
Sold by all Druggists, 75c.
Take Hall's Family Pills for constipation.

PROCEEDINGS OF BOARD OF TRUSTEES

When called to order by President Peters all members of the Board of City Trustees were present save Boyce.

Communications

Several communications were read by the City Clerk, the first being from the Keystone Iron Company giving itemized statement of cost of the electrolier replaced on San Fernando boulevard, in explanation of the charge of $52.00 which the Board considered excessive. Ordered placed on fiile.

The second communication was from Santa Cruz asking for indorsement of that city as meeting place for League of California Municipalities in 1917. Placed on file.

Third, from A. C. Fleury, Horticultural Inspector, urging the city to follow the example of Monrovia, Sierra Madre and other cities in employing men to trim the inner branches of street pepper trees as a remedy for scale, which he said is bad. Probable cost was discussed with Mr. Fleury, who was present, but no action taken.

Fourth communication was from W. O. Welch, County Tax Collector, relative to the audit proposition of Mr. Hamman, and suggested that if the city would take the matter up with Mr. Lewis, very likely he would make satisfactory distribution of delinquences and penalties. Laid over for one week because the City Attorney stated a conference of attorneys for various cities had been appointed for the present week to discuss the matter and he would be prepared to report upon that conference next Tuesday.

Fifth communication was a request from the Tropico Methodist church for a permit to place a sign board in the parking relative to amendments to be voted upon November 7th. Permit granted.

Gas Service Refused

Under the call for oral communications Mr. Mudgett reported that the gas company had refused to lay pipe and give service to himself and two neighbors without a payment of $150.00, although he had offered to furnish the pipe. He asked the council for relief. In the resultant discussion Attorney Shaw expressed the opinion that the matter could only be reached through the Railway Commission. Engineer Wattles stated the Company intended to lay a main for only part of the way on Acacia street; that this was more urgent than Hill which could be held up until the grading should be done. All agreed upon the desirability of having the pipe laid now to forestall tearing up the streets afterwards, the only question being how to bring it about. In this connection an ordinance requiring a deposit sufficient to cover replacement where permits are granted service companies to tear up a street was consulted but none knew whether it had been repealed or whether it is in effect. In the end the City Clerk was instructed to write the Southern California Gas Co., and ask it to extend its main on Acacia to within 150 feet of Central avenue, also to lay a main on Hill from Moore avenue to Green street.

Street Deed

Engineer Wattles reported that Mr. Wells is willing to dedicate to the city a 14-foot strip of land now incorporated and a part of Glendale avenue, south of Eulalia street. On his recommendation the Board agreed to accept and instructed him to proceed in the matter.

Dr. Mabry Reports

Dr. Mabry reported that he had visited the premises and dogs complained of as a nuisance; but they were not in bad sanitary conditions and as owners had promised to dispose of the dogs very soon, he thought the matter would adjust itself.

Other Reports

The report of Building Inspector for September showed fees for building, plumbing and electrical permits aggregating $29.15.

Fees collected for licenses and dog taxes $47.75.

The City Clerk's report showed receipts; Building inspection fees $32.64; Contractor's incidentals (Moore-Adams) $542.30; Contractor's incidentals (Acacia) $88.84; office fees $4; dog tax $46.00; total $709.78 which added to balance September 1st of $1911.67 made total of $2621.45 from which was subtracted September disbursements of $1100.03, leaving balance September 30th $1,521.22.

Columbus Street

The opening of Columbus street was again brought up and referred to the City Attorney for investigation and report.

Lighting Contracts

Were also brought up and laid over for one week.

Larson Matter

The committee on public works to which the case had ben referred, asked and was granted further time. C. E. Spencer, attorney for Mrs. Larson and for German American Bank set forth her claims and said under the encouragement of the Board that they would endeavor to adjust the claim, he would file an appeal which would leave the matter open for a week or two.

Taxicab License

H. Hamilton of Glendale applied for a taxicab license. Granted.

Trustee Seal offered a resolution requesting the P. E. Railway to build a depot in Tropico before 1917. Indorsed by President Peters and strenuously opposed by Henry, Alspach being uncertain. No action taken.

A Query

was read by the City Clerk as to whether a contractor has a right to hire men to dig a cesspool without a license. Referred to City Attorney.

The Water Rate Question

was brought up by Trustee Henry who moved that the City Clerk be instructed to prepare petitions for circulation asking the Railway Commission to restore the old rate of $2.00 per fire hydrant with a minimum domestic rate for 800 cubic feet of $1.25. He stated the Water Company would join in the petition to have the old rate restored. Mr. Alspach seconded the motion with the understanding that as soon as the rate question is settled, the Board will take up water pressure at fire hydrants. Carried, Seal not voting.

Warrants

were allowed as follows: Keystone Iron Works, $2.00; Garbage collector $41.00; Fairfield $40.00; Ripley, street labor $5.00; Feed and Fuel Co., for barley $3.40.

The Board then adjourned.

PACKER'S POPULARITY

The City of Glendale is booming and Stephen C. Packer, candidate for Supervisor is credited with being one of the foremost to bring about this condition. He has always stood for the best interests of Los Angeles county and has given his time and energy whenever opportunity offered in every forward movement. His vote at the primaries in his home city, shows the esteem in which he is held there, and the residents of that city grow more and more enthusiastic as the time approaches to elect him—Tuesday, November 7. Mr. Packer believes in the strict enforcement of all laws passed by the citizens of Los Angeles—and this includes the liquor laws, and in his campaigning he has endeavored to impress this fact upon the residents of the Fifth District.

Situation Wanted.--Experienc'd Primary teacher will coach young children. Normal graduate; good references; reasonable terms. Address 319 Blanche Av.; phone, Glendale 15-J.

NEW BRISCOE AGENCY AT GLENDALE

L. N. Hagood and M. R. Ferguson, both experienced automobile men of Los Angeles, have leased the salesroom, 1102 West Broadway, Glendale, California, where they will handle the Briscoe Motor car, the Kisselkas and Federal trucks.

The Briscoe, the car this firm features, is one of the most popular cars of the year, it being on exhibition at their salesroom.

They not only have Glendale, but Tropico, Burbank and surrounding territory.

The Briscoe is a car of smart lines, superbly finished with meadow green body and cream colored wheels. It is fully equipped with all modern accessories. The car at the present date has traveled 637 miles on an average of 28 1-4 miles to one gallon of gasoline.

Messrs. Hagood and Ferguson will be pleased to go into full details regarding specifications on the Briscoe car. They will gladly answer a call or a request for a demonstration.

VALUABLE INFORMATION

A remarkable book is being published by the H. W. Kastor & Sons Advertising Company giving most complete information regarding the Newspapers and Magazines of the United States and Canada; rates and circulation of the leading publications, together with latest population figures of the different cities, towns, states and counties; latest classified reports of the number of live stock in each state—in fact, selected and reliable information for every advertiser, merchant, manufacturer or mail order house.

The book will contain 700 pages, gilt edge and bound in leather and gold, neatly gotten up throughout and easy to handle. The price of the book is $2.00. Same will be ready for delivery about the first of the year. If you wish to secure a copy, you will have to send in your reservation now along with Check or Money Order to H. W. Kastor & Sons Advertising Company, Chicago Office, Lytton Building or Mercantile National Bank Building, St. Louis, Mo.

Quite a large number attended the open meeting of the Sons of Veterans at the G. A. R. Hall last week Tuesday evening. A splendid program was rendered and enjoyed by all. Refreshments were also enjoyed after the program.

MONSTER BIRDHOUSE CONTEST

Auspices of Glendale Garden Society

CONDITIONS AND RULES

1. Birdhouses must be made weather-proof. 2 .Birdhouses must be construced free from draught. 3. Birdhousese must be made to open. 4. Birdhouses must not be painted or stained inside. 5. Birdhouses must be entered for competition not later than 5 o'clock p. m. November 29. 6. Each birdhouse must be accompanied by a sealed envelope containing name, address and grade of competitor. 7. Birdhouses will be judged by one Glendale and two out of town judges upon the following basis. 1. Workmanship. 2. Durability. 3. Design. 4. Finish.

8. At least three (3) prizes will be awarded to pupils of the 5th, 6th, 7th and 8th grades respectively in the manual training classes. 9. Should young people not included in the above grades wish to enter, special prizes will be arranged to suit conditions. 10. Public distribution of prizes will be made Thursday evening, December 7. 11. Boys desiring to sell their birdhouses will be offered every facility. One order for 12 birdhouses has already been received. 12. Competition open to all young people resident in Glendale, Tropico, Eagle Rock, San Fernando and Monte Vista Valleys. 13. Address all enquiries to Headquarters, Birdhouse Contest, 1111 Broadway, Glendale.

The following 16 friends have kindly promised prizes for best birdhouses:

Mr. C. S. Kellogg, $2.00; Mr. C. Booth, Tennis racquet; Mr. Kent Robertshaw, work bench; Mr. Wm. Smith, tool box; Mr. Flower, $2.00 merchandise; Dr. Flint, promised; Mr. James Wilson, baseball bat and mitt; Mr. Howard Oswald, promised; Mr. Usilton, promised; Mr. R. Hinckley, jack knife; Mr. Ed Lynch, promised; Mr. H. Walker, promised; Mrs. H. McMullen, promised; Mr. Dave Carney, promised; Messrs. Cornwell and Kelty, promised; First National Bank, promised.

According to the Lancaster "Ledger-Gazetet," typhus, the dread contagious disease which ravished Servia last year causing thousands of deaths, has been discovered in a Mexican encampment of laborers at Rosamond. There are two verified cases at that place; also five cases at Hanford, one at Bakersfield, and a short time ago there was a case at Herald. The dissease, which thus far has been confined to Mexicans, was brought in from the Mexican border according to county authorities who have been tracing it to its source.

THE WATER QUESTION

Editor Interurban-Sentinel; Dear Madam:—

Ever since the Railroad Commission handed the people of Tropico a lemon, by establishing the new water rate, I have watched the Sentinel every week in vain, for a criticism of the Railroad Commission or a discussion of our water situation, either by the editor of this paper or by a patriotic or civic organization or by some fellow citizen, who has the welfare of Tropico at heart. The water situation has always been a perplexing one, unsatisfactory and unjust. The new rate is a calamity and ought to arouse our citizens to concentrated action to settle the water problem of Tropico once and for all right; the acquisition of a municipally owned water system. To this end we must decide:

1. What we want.
2. The cost of it and
3. Vote bonds to provide the funds to get it.

What we need is more water for the money we are paying and not so much a lesser minimum. With a minimum of 400 cubic feet of water, it will be goodbye beautiful Tropico. With a municipally owned system it will mean more water for the money, more lawns, more flowers, more trees, more shrubbery and more home gardens, a prettier town to live in and to be proud of. Let us come together upon this issue and show how much we think of our town.

E. FRAM.

THE STORM

"The heaviest rainfall for October in twenty years," is the report of the recent storm from many foothill localities. Citrus fruit growers are delighted and bean farmers think the damage to their crop will not exceed ten per cent.

According to local reports total precipitation during the storm period at Tropico and Glendale reached the astonishing figure of 4.06 inches. Monrovia was but little behind with 3.77 inches, Lytle Creek 4.12, Santa Barbara 3.05, Los Angeles 1.93, Oxnard 1.59.

Mr. Horace Miller of Los Angeles visited his mother, Mrs. Mary Rich on Tuesday.

LAST CALL TO VOTERS

All voters who have changed their place of residence since they registered must re-register under their present address if they wish to vote November 7th.

SATURDAY, OCTOBER 7TH registrations close. Voters who need to register should call upon Mrs. Coleman at the City Hall without delay.

AN EVENTFUL TRIP

Misses Ellen B. Churchill and Minnie B. Moulton of 223 Blanche avenue motored to San Diego and spent the week end there. On their return journey they took in the dedication of the open air theatre at Del Mar, on the coast highway north of San Diego. The great feature of the opening was the production of a pageant "The Spirit of Love," by Suzanne Ott, who resides on East Cypress street, this city. This was its first presentation and the audience which witnessed it numbered between four and five thousand souls.

The young ladies returned Monday in the midst of the deluge. When they reached Tustin it seemed to them that the heavens had opened and they would be swept away in a chariot of water instead of fire.

The Missionary Socity of the Presbyterian church met Thursday at the home of Mrs. Samuel Ayres on North Central avenue. The topic of the day, "Foreigners in America," was ably handled by Mrs. Elder.

Eight or ten members of the Presbyterian Ladies Aid visited Mrs. A. W. Collins in her new home in Los Angeles last week and had a very pleasant social time besides helping her in the manufacture of comforters.

The Philathea class of the Presbyterian church held a business and good time meeting Saturday evening at the home of Miss Collingsworth. About fifteen members of the class were there and light refreshments were served.

Mr. and Mrs. Raleigh Fuller and son, Richard Cline of Los Angeles, were the guests Sunday of Mr. and Mrs. Landon Haynes of 310 West Cypress street.

Van Nuys is trying to secure lights for its Brand boulevard.

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to the Resolution of Award of the Board of Trustees of the City of Tropico, California adopted the 26th day of September, 1916, directing this notice, notice is hereby given that the said Board of Trustees in open session on the 26th day of September, 1916, opened, examined and publicly declared all sealed proposals or bids offered for the following work, to-wit:

FIRST: That Hill Street from the south line of Moore Avenue to the north line of Green Street be graded to the official grade, and that the roadway of said Hill Street between said lines mentioned, except where a bridge is to be constructed thereon as hereinafter described, be macadamized to official line and grade in accordance with Plans Nos. 79 and 79-A, adopted by said Board of Trustees and on file in the office of the City Engineer, and in further accordance with Specifications No. 79, adopted by said Board and on file in the office of the City Clerk.

SECOND: That a cement gutter 3 feet in width be constructed along each side of the roadway of said Hill Street from the north line of Green Street to the southerly line of Sycamore Canyon Wash, in accordance with the above mentioned Plans Nos. 79 and 79-A, and the above mentioned Specifications No. 79.

THIRD: That a cement curb be constructed along each side of the roadway of Hill Street from the southerly line of Moore Avenue to a line 6 feet south of the north line of Green Street, except across Sycamore Canyon Wash, in accordance with the said Plans Nos. 79 and 79-A and the said Specifications No. 79.

FOURTH: That a cement sidewalk 5 feet in width be constructed along each side of Hill Street from the southerly line of Moore Avenue to a line 6 feet south of the north line of Green Street, except across Sycamore Canyon Wash, in accordance with said Plans Nos. 79 and 79-A and the said Specifications No. 79.

FIFTH: That a wooden bridge and connecting walks be constructed in said Hill Street across the channel of Sycamore Canyon Wash, in accordance with said Plans Nos. 79 and 79-A and said Specifications No. 79.

SIXTH: That a wooden bulkhead, approximately 45 feet in length, to protect said Hill Street and other streets of the City of Tropico from overflow by water from the Sycamore Canyon Wash, shall be constructed in accordance with said Plans Nos. 79 and 79-A and said Specifications No. 79, in a certain right-of-way owned by the City of Tropico for that purpose, which said right-of-way was conveyed to said City of Tropico by Edna Price and Charles H. Price by a certain deed dated August 5th, 1916, and accepted by the Board of Trustees of said City August 8th, 1916, and is described as follows:

"A strip of land 10 feet in width, being portions of Lots 1 and 3 of Ungerland's Subdivison as per map recorded in Book 8, page 41 of Maps in the Recorder's Office of Los Angeles County, the center line of said strip being described as follows: Beginning at a point in the east line of Lot A of Tract No. 392, as per map recorded in Book 14, page 131, of Maps in the Recorder's Office of said County, which point is south 2 deg. 44' 20" east 60 feet distant from the northeast corner of said Lot A; thence north 72 deg. 15' 40" east 45 feet to a point, said strip of land being bounded on the west by the east line of said Lot A, and bounded on the east by a line at right angles to the above described center line."

SECTION 2. That the said contemplated work or improvement in the opinion of said Board of Trustees is of more than local or ordinary public benefit, and the said Board of Trustees makes the expense of said work or improvement chargeable upon the district hereinafter described, and declares that the district in said City of Tropico benefited by said work or improvement is described as follows:

Beginning at the intersection of the center line of Moore Avenue with the northerly prolongation of the west line of that portion of Lot 41 of Watts Subdivision of a portion of the Rancho San Rafael, recorded in Book 5, page 200, Miscellaneous Records of Los Angeles County, as described in deed recorded in Book 308, page 84 of Deeds, records of said County; thence southerly along said prolongation and west line of said portion of Lot 41 to the south line of said lot; thence easterly and northerly along the southerly line of said lot to the southwest corner of Tract No. 392, recorded in Map Book 14, page 131, records of said County; thence northeasterly along the southeasterly line of said Tract and prolongation thereof to the southwesterly line of Valley Boulevard; thence northwesterly along the southwesterly line of Valley Boulevard and prolongation thereof to the center line of Moore Avenue; thence westerly along the center line of Moore Avenue to the point of beginning. The boundaries of said district are more particularly shown by a map thereof adopted by said Board of Trustees on the 15th day of August, 1916, and on file in the office of said City Engineer, which is hereby referred to for further particulars.

SECTION 4. The said Board of Trustees determines that serial bonds shall be issued to represent each assessment of $25.00 or more for the costs of said work or improvement; said serial bonds shall extend over a period of nine years from the second day of January next succeeding the date of said bonds and shall bear interest at the rate of seven per cent per annum and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January of each year after their date until the whole is paid and the interest shall be payable semi-annually by coupon on the second days of January and July respectively of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest have been paid.

And thereafter, to-wit: On the said 26th day of September, 1916, said Board of Trustees awarded the Contract for said work to the lowest regular responsible bidder, to-wit: E. Schelling at the price named for said work in his proposal on file, to-wit:

Macadamizing, per square foot, 4⅛c.

Grading per lineal foot, 75c.

Curb, per lineal foot of cement curb, 24½c.

Gutters, per square foot of gutter, 13c.

Sidewalks, per square foot of sidewalk, 9½c.

Bridge and bulkhead complete, $1500.00.

City Clerk's Office, City of Tropico, California, September 26th, 1916.

MARGARET R. COLEMAN,

City Clerk and Ex-Officio Clerk of the Board of Trustees of the City of Tropico.
